

*Tyrrell & Laing International Inc*

**LIMITED WARRANTY  
CONTEMPORARY TUBS AND BASINS**

Tyrrell and Laing International Inc. hereby warrants this bathtub and/or basin, to be free of any defects, in materials or craftsmanship, for normal human bathing use for a period of ten years from the date of purchase, for residential use and ten years for commercial use.

This warranty is issued subject to the terms and conditions contained herein:

Tyrrell and Laing International will, at its election, repair or replace a defective product. In no event shall the seller's liability under this warranty exceed the cost of the repair or replacement, or the purchase price of the product, whichever is the lesser, as determined by the seller. This warranty is issued to the original purchaser and not to any transferee.

Gloss reduction, scratching or staining of the finish overtime due to use or water or atmospheric condition are part of normal wear and tear, and do not indicate defects. Use of any strong chemicals to clean this product will void the warranty. Blemishes, air holes or casting marks on the underside of the bath are not considered defects and do not affect the performance or quality of the bath. Slight variations in the surface are indigenous to the natural stone appearance of the product and are not considered defects or flaws. Variations in the surface do not compromise the structural integrity of the product.

This warranty does not cover any damages incurred due to installation error, product neglect, misuse or abuse, accident or negligence, whether caused by the purchaser, or contractor, or service provider, or any other cause whatsoever beyond the control and responsibility of Tyrrell and Laing International Inc.

The above warranty shall not apply to damages caused by installation, maintenance or cleaning performed other than in strict accordance with instructions.
